

YOU DON'T HAVE TO SEE DEAD FISH TO SEE POLLUTION

If you come across anything like this.....

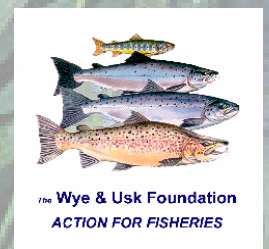

REPORT IT IMMEDIATELY!!

Environment Agency/Natural Resources Wales emergency line:

0800 80 70 60

When reporting an incident please remember the following:

1. Try to have a postcode or grid reference of the location
2. Take an incident reference number
3. Request feedback of the EA/NRW response/findings
4. If you can, report the pollution to the relevant rivers trust
5. Once you have a reference number, send any photos you have of the incident to: ICC@naturalresourceswales.gov.uk
